All images will have alt text and a transcript below it!

This isn't normally something I would do but Pinterest has been doing absolutely nothing and I want to be able to spread this around. My friends are being personally affected by this and it is disgusting that Pinterest has done absolutely *nothing* about the reports. My friends have been working so hard to get these people banned permanently from Pinterest. This has been happening since March 23rd, perhaps even before that.

Some messages will be in *italics* as they don't have screenshots.

This situation is ongoing and this document will be updated regularly.

Names will be color-coded.

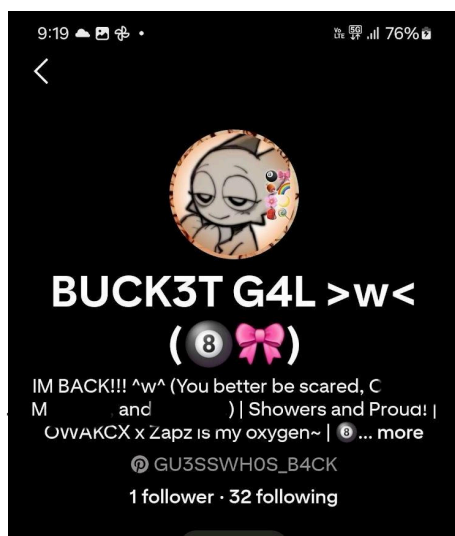

M is one of the victims.

C is another one of the victims.

These two are both **minors**.

Bucket Gal is one of the weirdos.

Evelyn is another one of the weirdos.

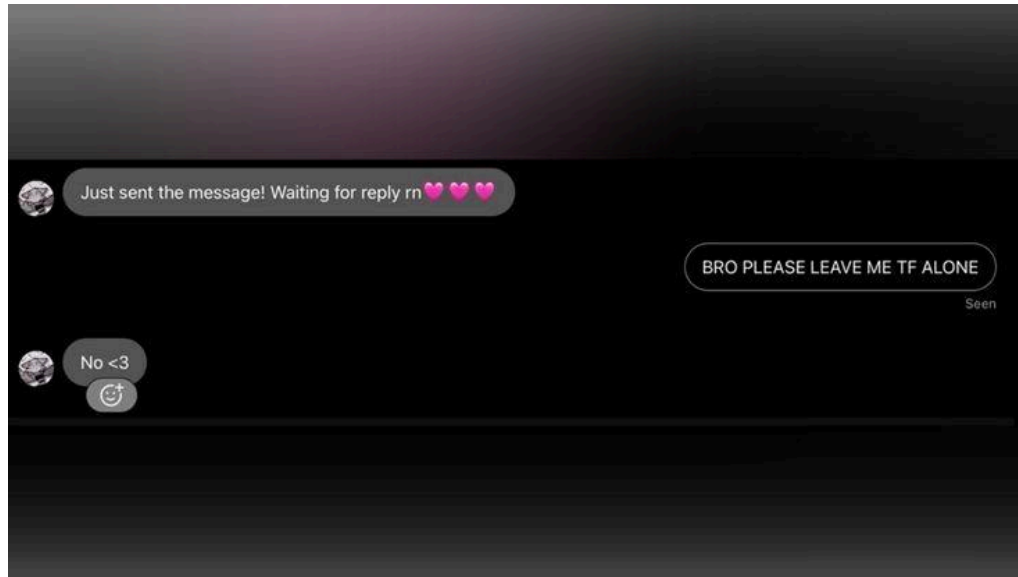

Bucket Gal/Lori

This is a screenshot of their account prior to the ban. The description says "I'M BACK! You better be scared **C**, **M** and a blanked out name. Showers and proud! OWACKX x Zapz is my oxygen.."

M got a DM from someone named “**Bucket Gal**” and they said, I quote, “I’m gonna ask **Evelyn** to draw OWACKX raping Zapz, you little bitch”.

And for context, Zapz is a Sprunki OC made by **M** who is meant to be OWACKX’s sibling.

This seems to be the first interaction **M** has received from **Bucket Gal**.

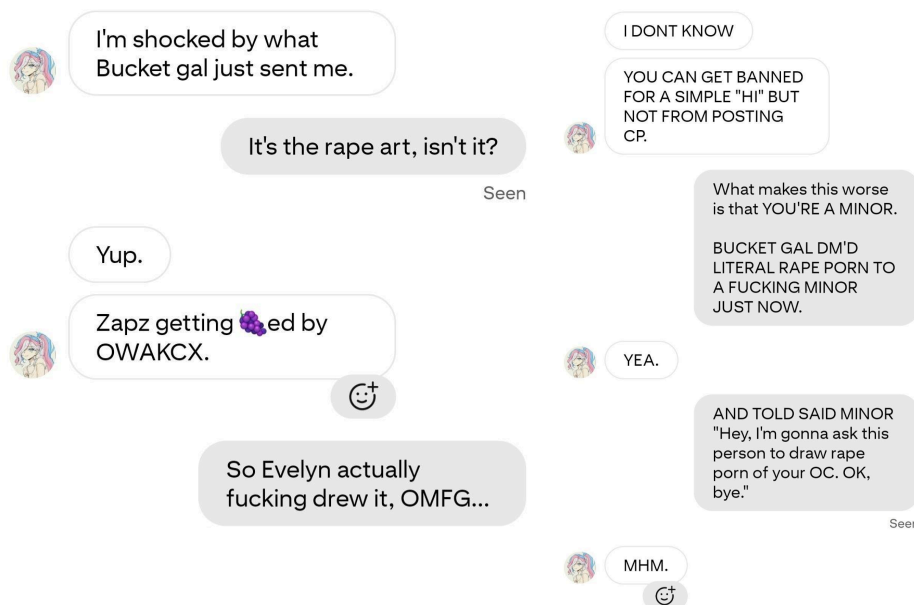

BG: Just sent the message! Waiting for the reply right now ♥♥♥

M: Bro just leave me the fuck alone

BG: No <3

This is **Bucket Gal** telling **M** that they sent the message to **Evelyn**. Though, **Bucket Gal** drew it instead of **Evelyn**.

M: I’m shocked by what **Bucket Gal** just sent me.

F: It’s the rape art, isn’t it?

M: Yup. Zapz getting raped by OWACKX.

F: So **Evelyn** actually fucking drew it, OMFG.

Second screenshot

M: I don't know. You can get banned for a simple "Hi" but not from posting CP.

F: What makes this worse is that you're a MINOR. **Bucket Gal** messaged you literal rape porn to a fucking minor just now.

M: Yea.

F: And told said minor, "Hey, I'm gonna ask this person to draw rape porn of your OC. Okay, bye."

M: MHM.

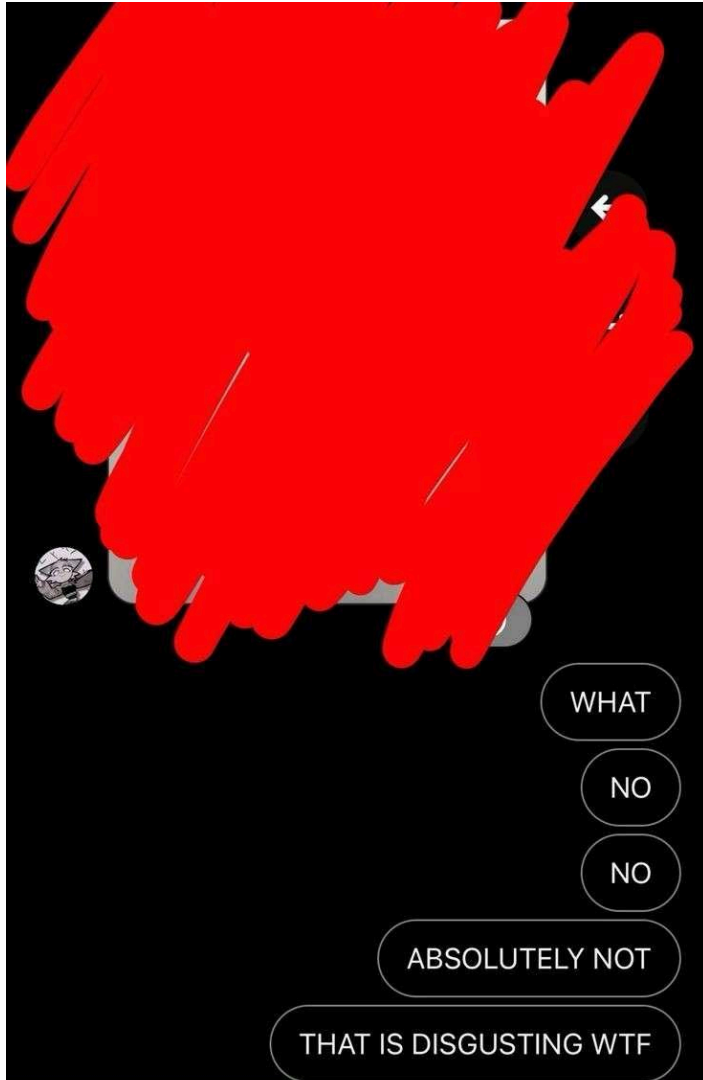

^ She also sent **M** a drawing of 2P Jevin raping 2P Zapz.

M: Bro I'm gonna kill myself. Bucket Gal sent me a drawing of 2P Jevin raping 2P Zapz.

F: Oh my fucking god, WHY?

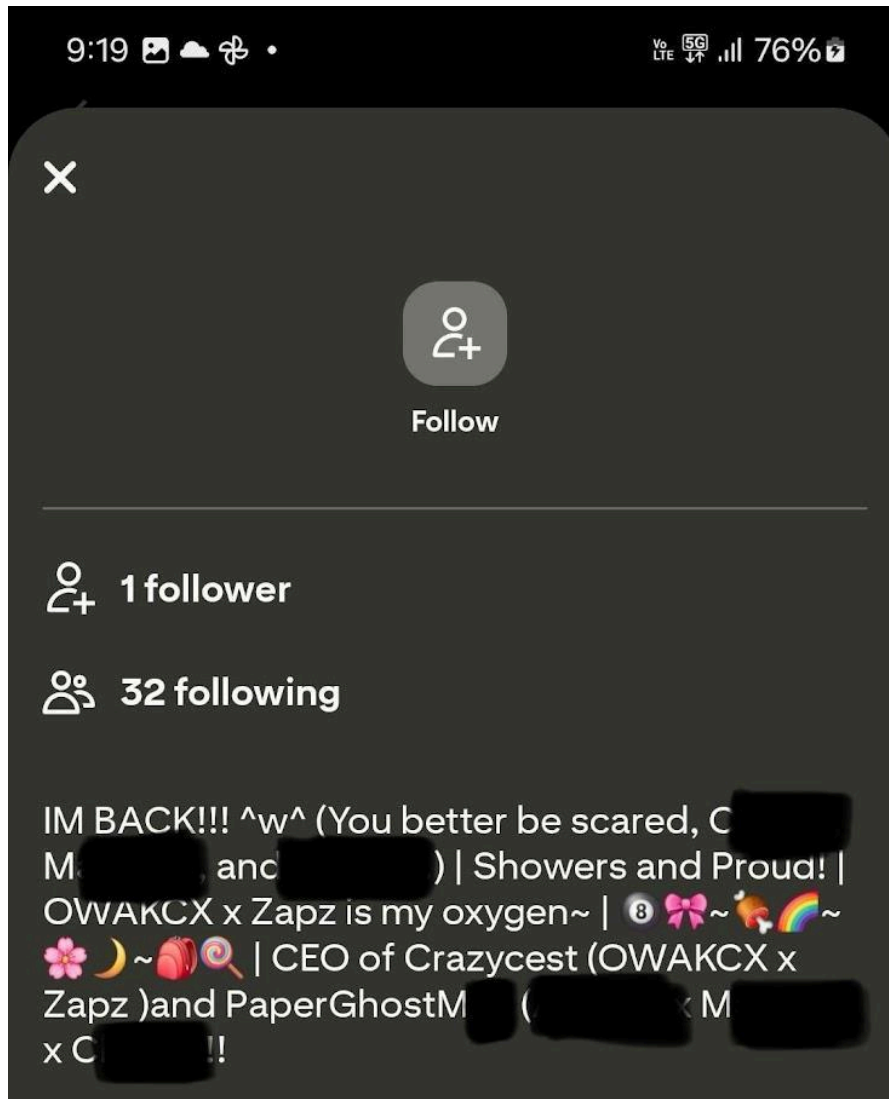

At the time this was sent, this was **Bucket Gal's** first account before being banned. vv

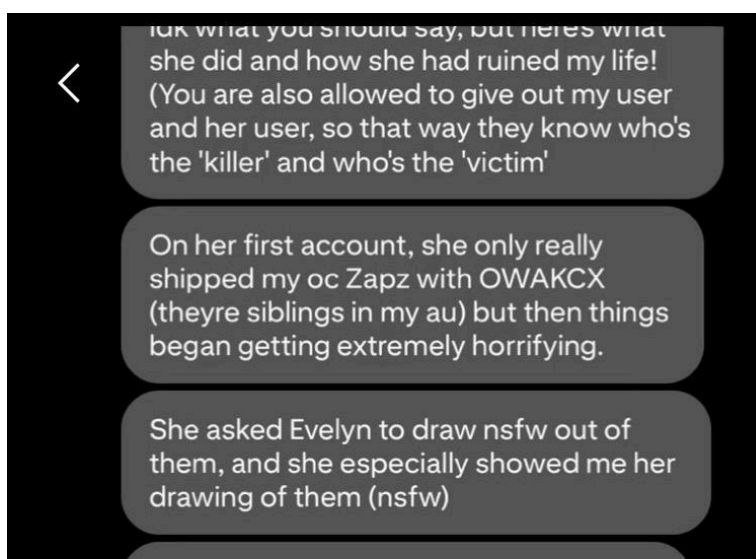

A Pinterest screenshot of messages. There is a blocked out image and a series of messages after saying: "WHAT, NO, NO, ABSOLUTELY NOT, THIS IS DISGUSTING WHAT THE FUCK."

This has caused **M** to feel traumatized and feel suicidal because of this. **M** said that she was on the verge of ending her life, but thankfully, that never happened and **M** is still alive.

After this, **Bucket Gal** has been banned for Child Safety, unfortunately only temporarily. This is their new account. v

A Pinterest screenshot of **Bucket Gal's** bio. It says: "I'm back!!! (You better be scared, **C**, **M** and a blanked out name.) Showers and proud! OWAKCX x Zapz is my oxygen." Then a list of emojis, eight ball and a ribbon, meat and rainbow, cherry blossom and moon, and a bookbag and a lollipop. It continues: "CEO of Crazycest (OWAKCX x Zapz) and PaperGhostM (**F**, **C** and **M**.)"

The last one is shipping REAL people. **M**, and **C** are both minors while **my friend** is a young adult. This is absolutely disgusting.

*This is a Pinterest screenshot of messages from **M**. It reads:*

“I don’t know what you should say, but here's what she did and how she had ruined my life! (You are allowed to give out my user and her user, so that way they know who’s the ‘killer’ and who’s the ‘victim’)

On her first account, she only really shipped my oc Zapz with OWAKCX (They’re siblings in my au) but things began getting extremely horrifying.

She asked **Evelyn** to draw nsfw of them, and she especially showed me her drawing. (NSFW) And she also threatened she wanted to rape Zapz. But now on her new account, she’s gotten even worse.

She starts shipping my 2 close friends, **C**, **Friend**, with me.”

End of screenshot.

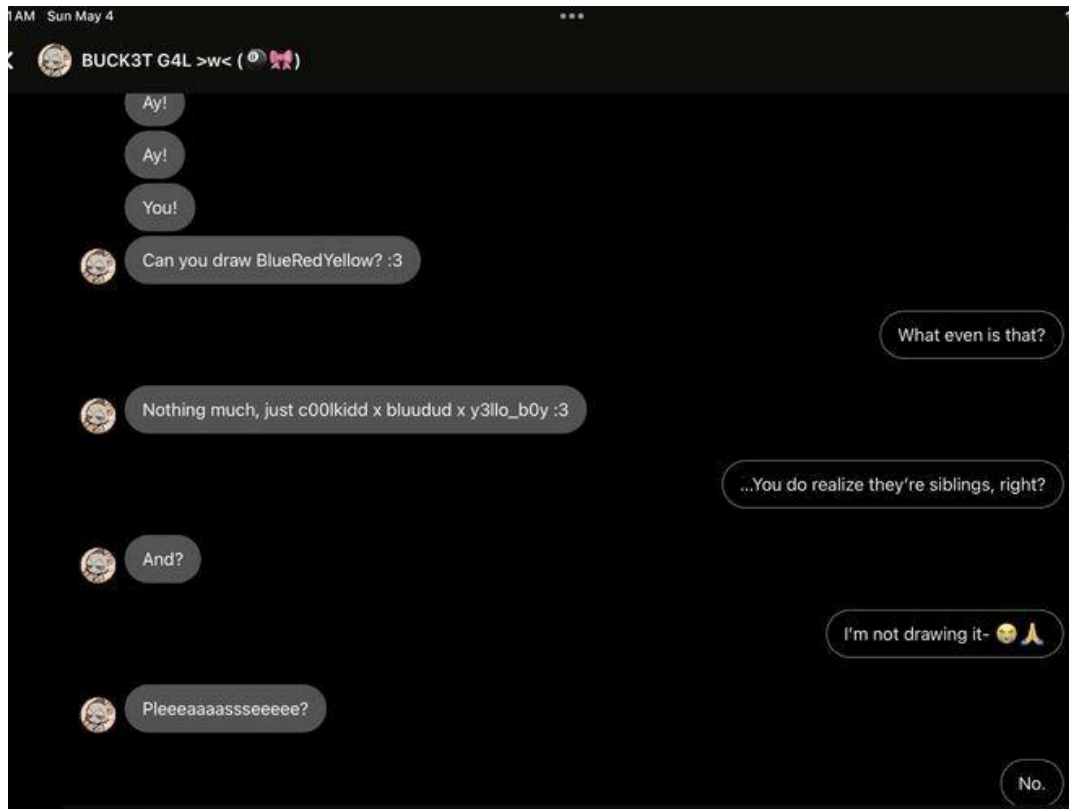

This is beyond proshipping. The entire point of proshipping is being ANTI-HARASSMENT but **Bucket Gal** and **Evelyn** are both harassing these children. **Evelyn** and **Bucket Gal** use the label proshipping AND darkshipping while breaking the number one rule of it. They are harassing *and* shipping *real life* people.

They made a ship edit between two characters that they headcanon as father and son. They also have the audacity to use **my friend**’s art.

A pinterest post. The video says, "I love this ship!! Trigger warning: Darkship, father x son."
The caption says: "Jevin x SK1NN3D".

And this is where it gets serious. **Bucket Gal** tells **M** to draw incest, they refuse, and... she says she has **M's** IP address.

BG: Ay! Ay! You! Can you draw BlueRedYellow? :3

M: What even is that?

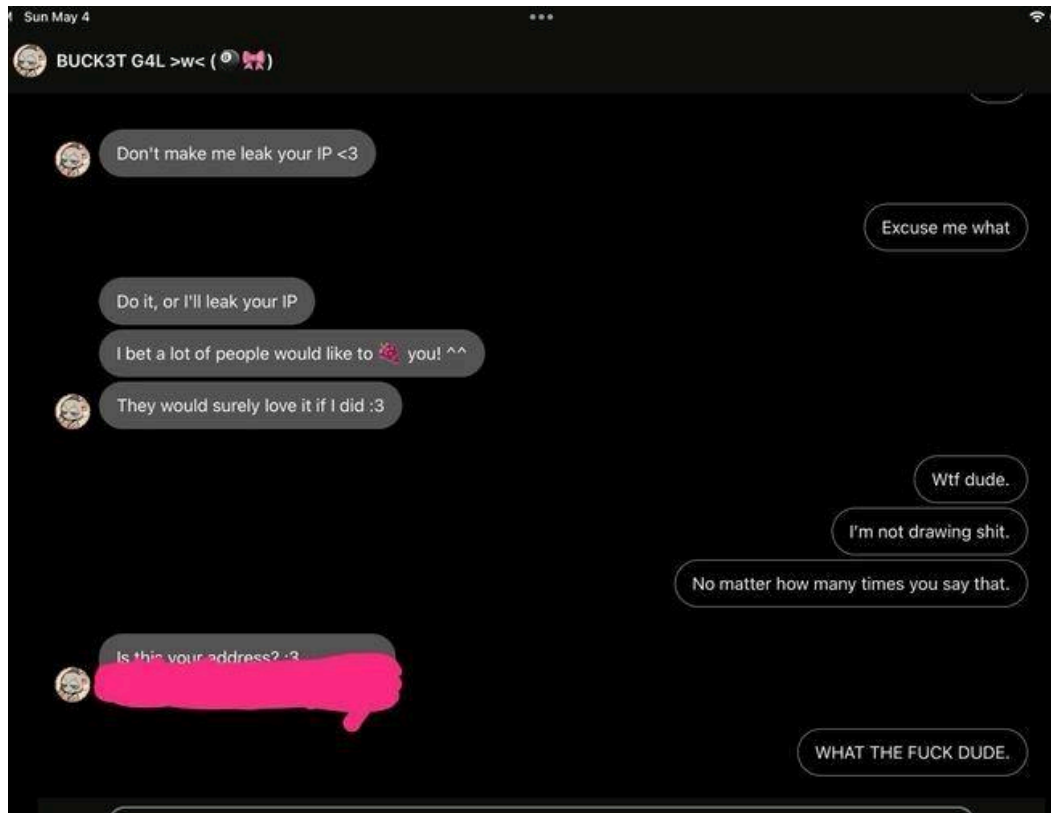

BG: Nothing much, just coolkid x bluudud x yello_boy :3

M: You do realize they're siblings, right?

BG: And?

M: I'm not drawing it-

BG: Pleaaaaaaasee?

BG: Don't make me leak your IP <3

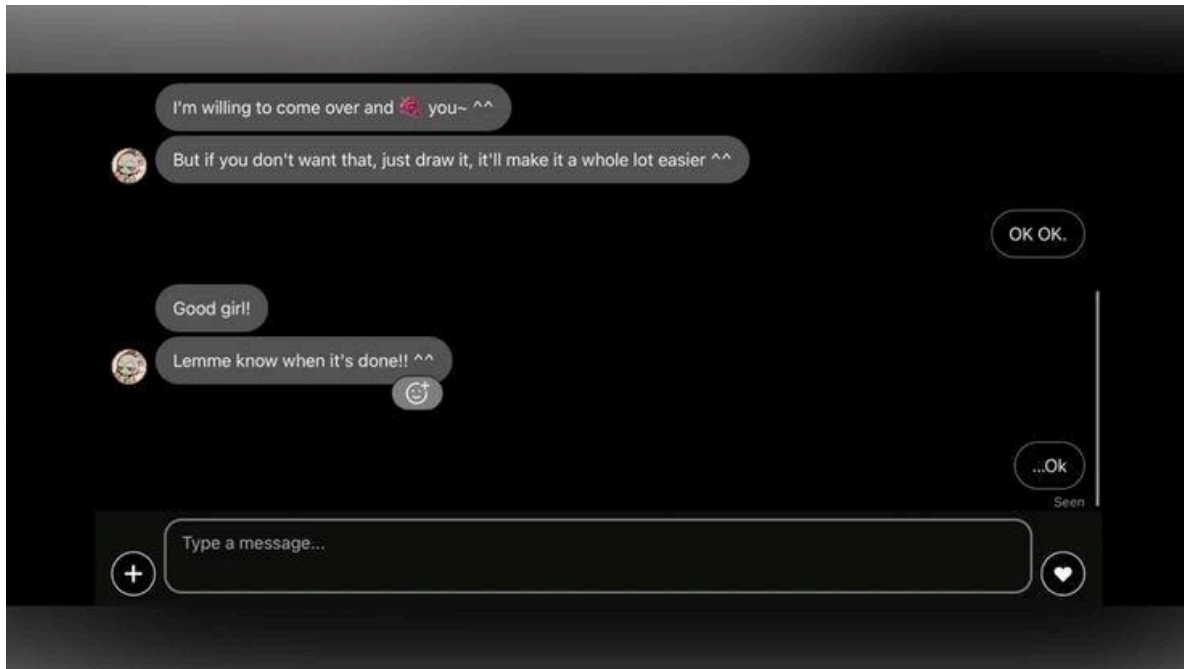

M: Excuse me what

BG: Do it or I'll leak your IP. I bet a lot of people would like to rape you ^^ . They would surely love it if I did :3

M: What the fuck dude. I'm not drawing shit. No matter how many times you say that

BG: Is this your address? (Blocked out)

M: What the fuck dude.

BG: I'm willing to come over and rape you ^^ But if you don't want that, just draw it, it'll make this a whole lot easier. ^^

M: OK OK.

BG: Good girl! Lemme know when it's done. ^^

M: .. Ok.

M: Okay so uhhh I ended up locking every window and door in my house because new update! BUCKET GAL HAS MY IP.

Bucket Gal (BG) threatened **M** with their IP and possible address and is threatening them with assault. They are using their IP as a scare tactic and that is very disgusting. **BG** is possibly blackmailing **M** which is absolutely disgusting.

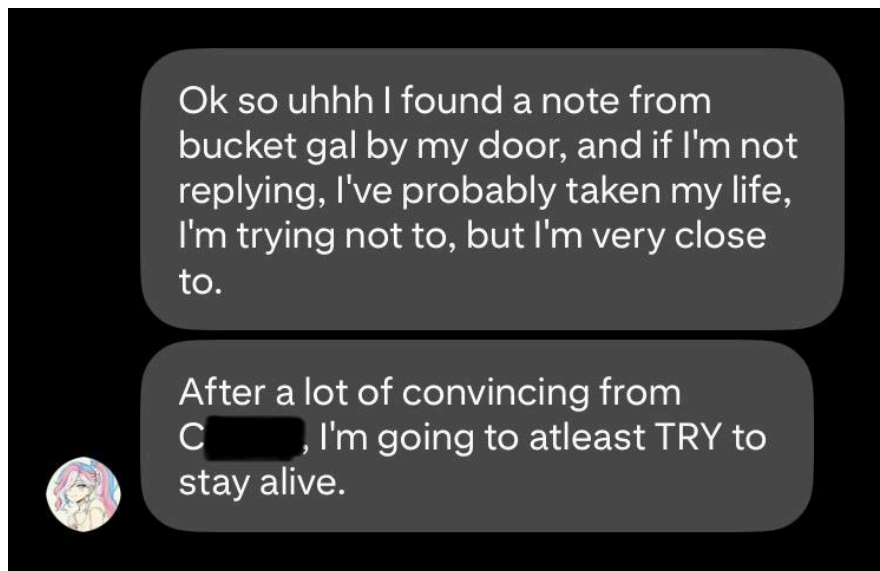

Vani Note: IP's are off by a 30 mile radius and it may be a scary thing when someone claims to have your IP. It is difficult to get your home address from your IP, and they only really have your city and general location. Please stay safe everybody and do NOT click links ever unless they are trustworthy links.

This is my information, my general area. This does not expose any information about me.

Afterwards, **Bucket Gal** gets banned for Child Safety again. Though, she NEVER GOT IP BANNED.

M then says they got a note from **Bucket Gal** at their door.

M: I found a note from **BG** by my door, and if I'm not replying, I've probably taken my life. I'm trying not to but I'm very close to. After a lot of convincing from **C**, I'm going to at least TRY to stay alive.

Before anyone asks, “**M** has asked the police about this, right?” She did, yes. But... they were no help.

M: I wasn't able to sleep last night

F: **Bucket Gal?**

M: Yup.

F: Did you at least report to the police?

M: Tried to.

F: And? What happened?

M: Nothing really happened, just told me they were probably just trying to scare me.

This was before **M** got the note btw. The police even said that they're just trying to scare **M**? Do they not even care at all about this?

My friends and I tried to send links to **M** about sending a Cybertip, but she says she couldn't access them due to Parental Controls, which means they don't know what to do. And now **Bucket Gal** makes their third account...

^ And also they made an edit USING **MY FRIEND'S** ART OF JEVIN, putting some problematic flags over it, such as the zoophile flag.

^ Here's **Bucket Gal's** self-insert if anyone's curious
 Yep, if you guess what that flag is correctly, it's not at all surprising what she is.

^And here's her drawing of herself with [Evelyn](#) I guess.

BG then drew ship art between Shrimpo and **M's** Dandy's World OC (Who is meant to be 5-years old btw)

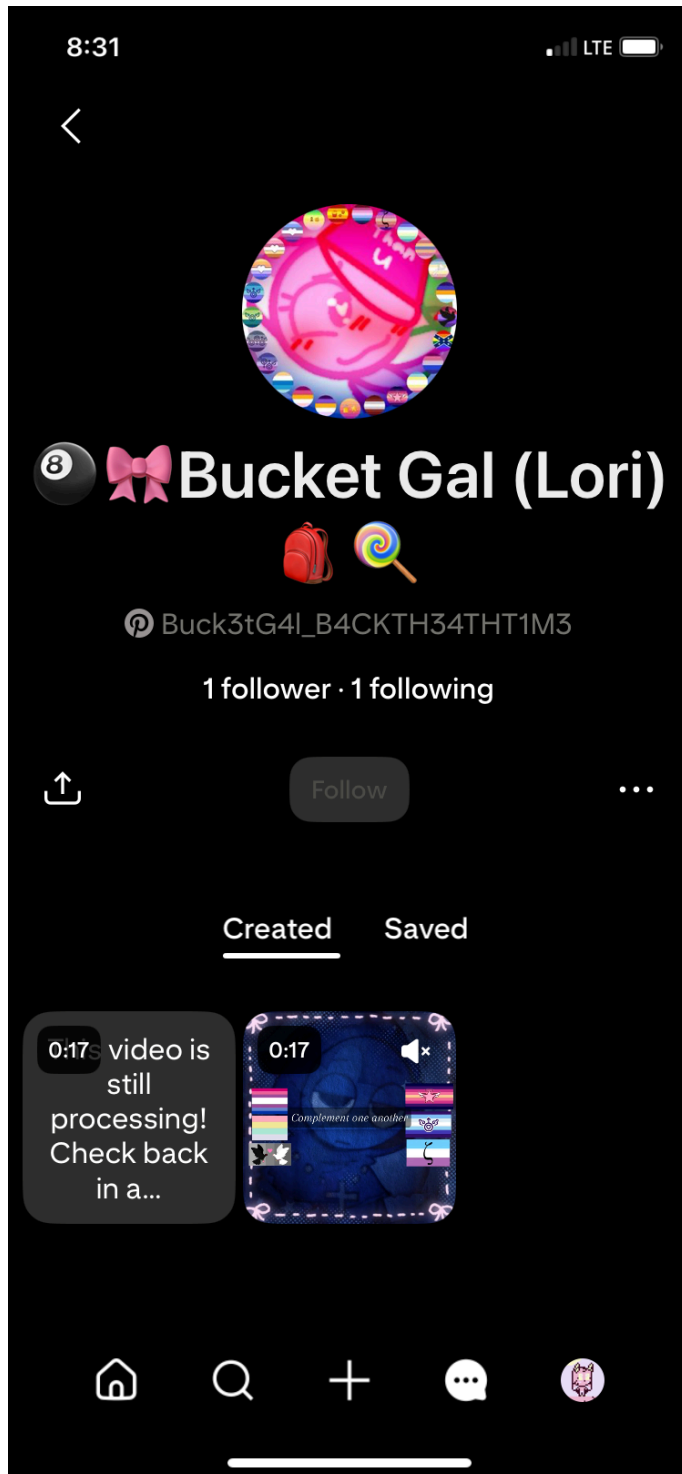

She also forced **M** to make an animation involving c00lkidd

^

“Ok im sorry I keep having to tell you all this shit. But I got forced into animation c00lkidd 🍇. 😊
By you know who!1!!1!1!1! At this point I’m just gonna jab a knife into my head.”

Afterwards, **Bucket Gal** gets banned for the third time for Child Safety, only to come back on her fourth account (Not before getting banned once again).

Before her account got taken down, she removed her pins from public and changed her description to “Dear [Blank]: Dm me pls :3”
And here’s the reason why she had this...

“I saw that you were talking \$h1t about me and Evelyn, either way, C and M are gonna get 🍇d by us, and there’s nothing you can do to stop us, we are strong, we don’t back down until we get what we want, so you either leave us be before I 🍇 M, I have her address so it won’t be long until I get to her place! Atleast until she gets home from school, I’d leak what school she comes from, but eh, her school is not my concern, but anyway, , if you are reading this, please reply soon once you finish!! I can give you her number and address if you want :3”

^

Bucket Gal sent **M** a DM saying:

“I saw you were talking \$h1t about me and Evelyn, either way, C and M are gonna get 🍇d by us, and there’s nothing you can do to stop us, we are strong, we don’t back down until we get what we want, so you either leave us be before I 🍇 M, I have her address so it won’t be long until I get to her place! from, but eh, her school is not my concern, but anyway, [Blank], if you are reading this, please reply soon once you finish!! I can give her number and address if you want :3”

Seems like **BG** just wants to casually confess to doing this crime and even has more personal information on **M**. This can be very important because at least this can be more evidence for **M** to use against her.

This is what we know of **Bucket Gal** so far, now lemme move onto **Evelyn**.

Evelyn

She was first mentioned when **Bucket Gal** DM'd **M**, and as one guessed, she is not any better. Perhaps WORSE actually.

I think to start off simply. They're a proshipper and they're proud of it. They claim to be an IRL condoner which means they condone real life actions of pedophilia, zoophilia, etc.

Here's a call-out post made by **C** where **Evelyn** was first likely brought up to the public.

^ Evelyn being stated that she is a darkshipper/shotal and proshipper that took C's Dandy's World OCs to draw disgusting shit with them, Tenny x Toodles (Tenny is meant to be Toodle's aunt btw), Allie x Andy, with Allie in suggestive clothing (she is a child and is Andy's younger sister), and problematic ship art of Count x Rodger. It's also said that Evelyn has been sending weird stuff and darkships to C in their dms, and is AWARE that C is a minor.

Because of this, Evelyn begins to directly target C, posting a pin about her and even ADMITTING to wanting to do a vile crime.

   ~Evelyn!! ^^

SHES MY WIFE REALLLLLL!!

[#darkship](#) [#pedo](#) [#minor](#) | I NEED TO R4P3 [See more](#)

^ Pin Evelyn made on C, saying she needs to groom/rape her ASAP, saying C is her wife as well.

^ She also drew ship art of herself with [C](#), the same person [Evelyn](#) wants to groom/rape.

She apparently has an updated self-insert that she drew, for the curious. Of course she draws herself with [Bucket Gal](#). They support each other, who would've guessed?

Me and pookie!!!

They also posted PORN on Pinterest, mostly on their first account. She drew one of C getting raped by their friend. She also has a pin that said she wanted to rape Tenny, and has a pin that said she ships said Tenny with Toodles, and also takes an OC meant to be Tenny's younger brother and Toodle's uncle, and draw porn of BOTH OCs. Yeah just casually posting incestuous shit.

Evelyn not only targets **C**, but ALSO targets **M**.

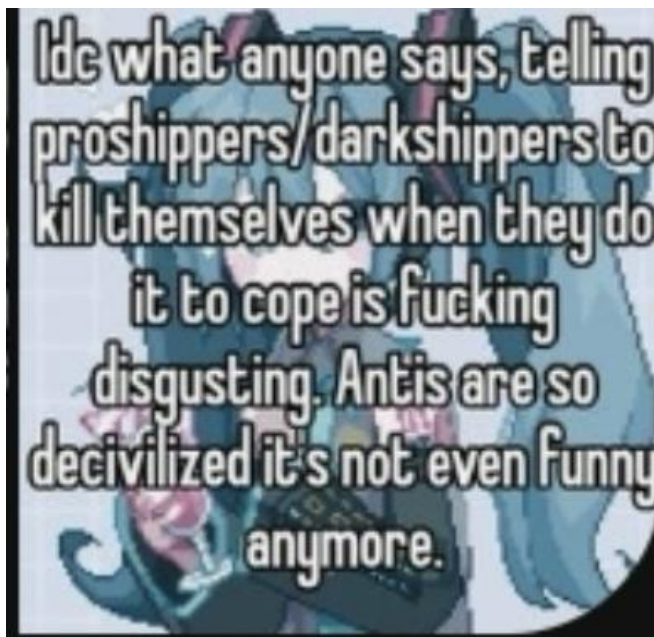

^ **Evelyn** calling **M** bitchy.

Not only does she support **Bucket Gal**, but she supports OTHER PROSHIPPER ON PINTEREST.

M may follow some of them, but here's the thing, it's only to get easy access to their account so she can report them off Pinterest. With **Evelyn** though, SHE FULLY SUPPORTS THEM, and **Bucket Gal** unsurprisingly does the same thing.

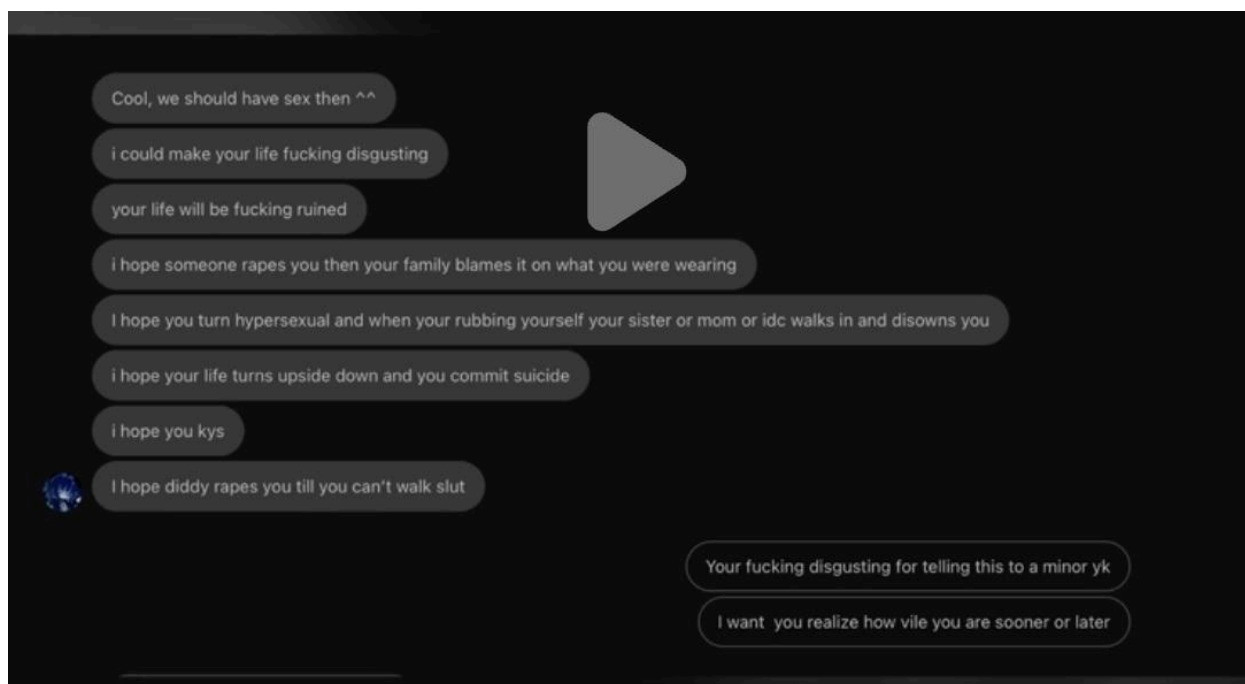

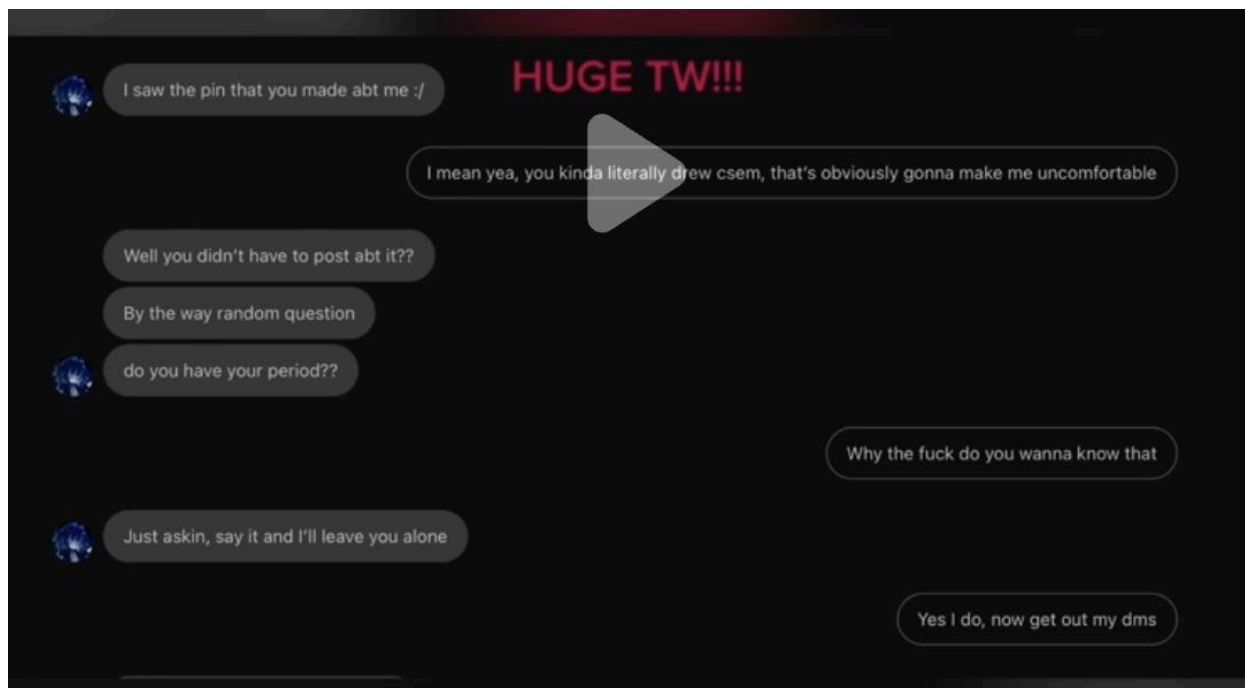

She had a pin that says this, yet the shit she does is any better.

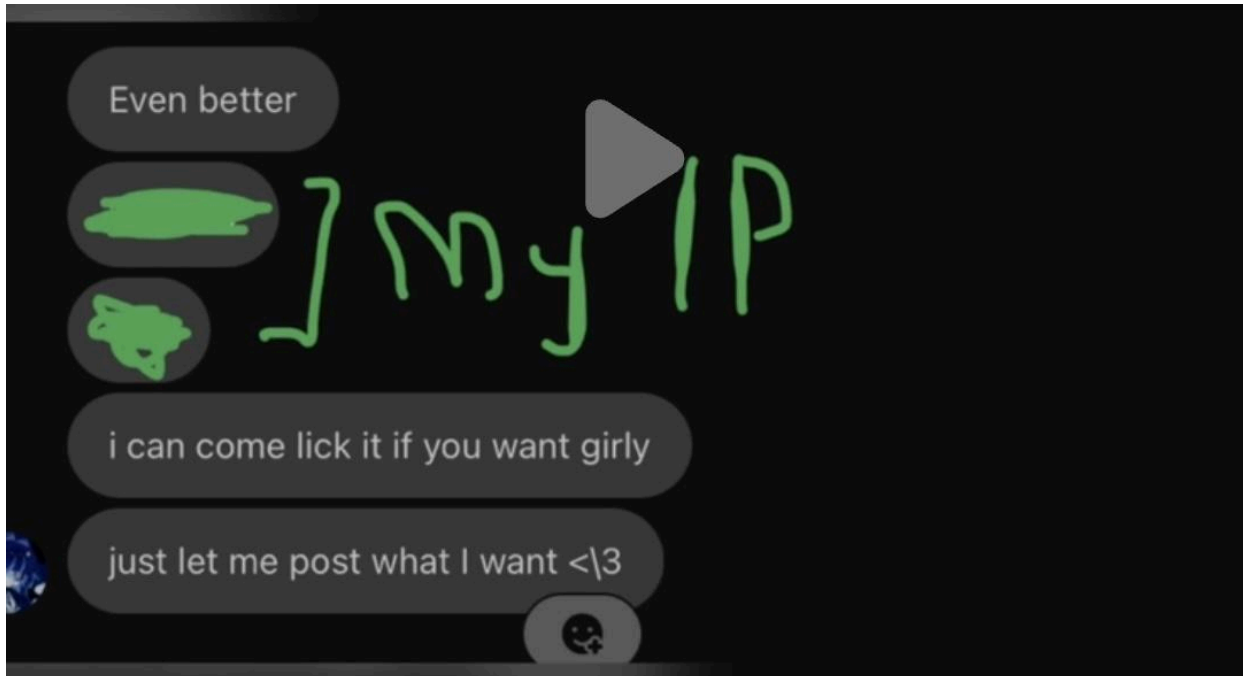

^ "Idc what anyone says, telling proshippers/darkshippers to kill themselves when they do it to cope is fucking disgusting. Antis are so decivilized it's not even funny anymore."

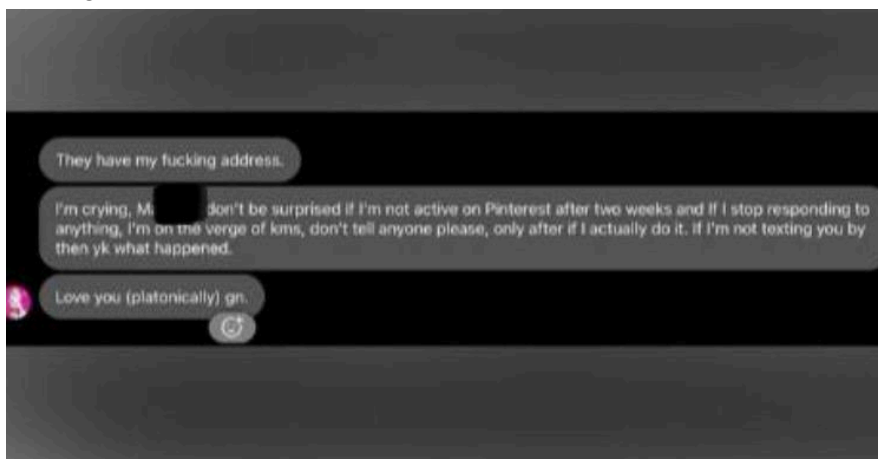

Like you wonder WHY people tell proshippers/darkshippers/comshippers to end themselves. You shouldn't tell people to end themselves, yes, but IT'S DIFFERENT when they're someone actively wanting to groom/rape someone, ESPECIALLY A CHILD.

Also, she sent these dms to C.

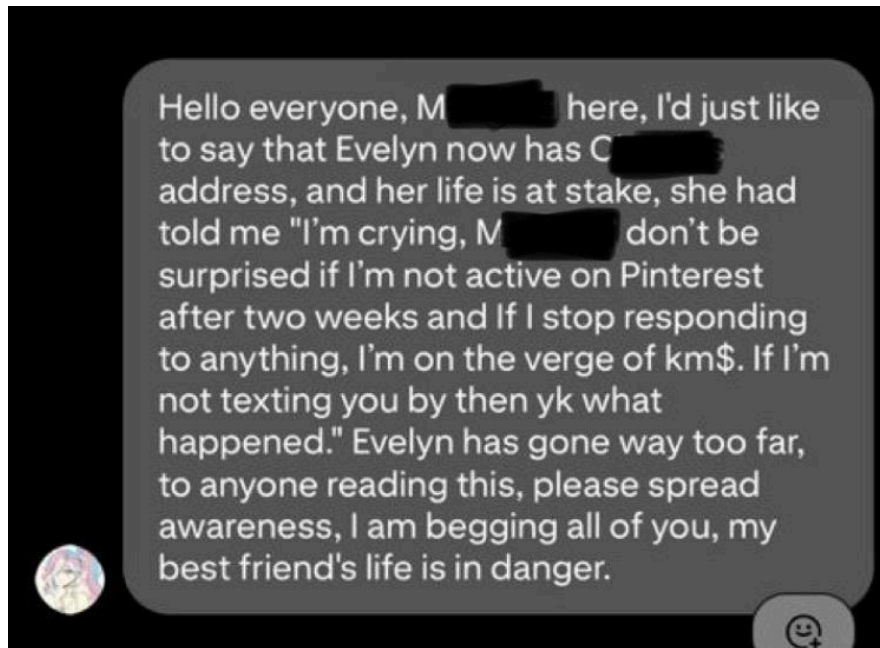

^ She tells C that she saw the pin they made about her, asks if they're on their period, then says the most DISGUSTING shit to them, such making their life ruined and disgusting as hoping they get raped and that their family blames them for what they wear, hoping they get hypersexual to the point they, hoping they kill themselves, and HOPING DIDDY RAPES THEM UNTIL THEY CAN'T WALK, and to top it off, she sends C their IP address. It has gotten so bad that C said this to M.

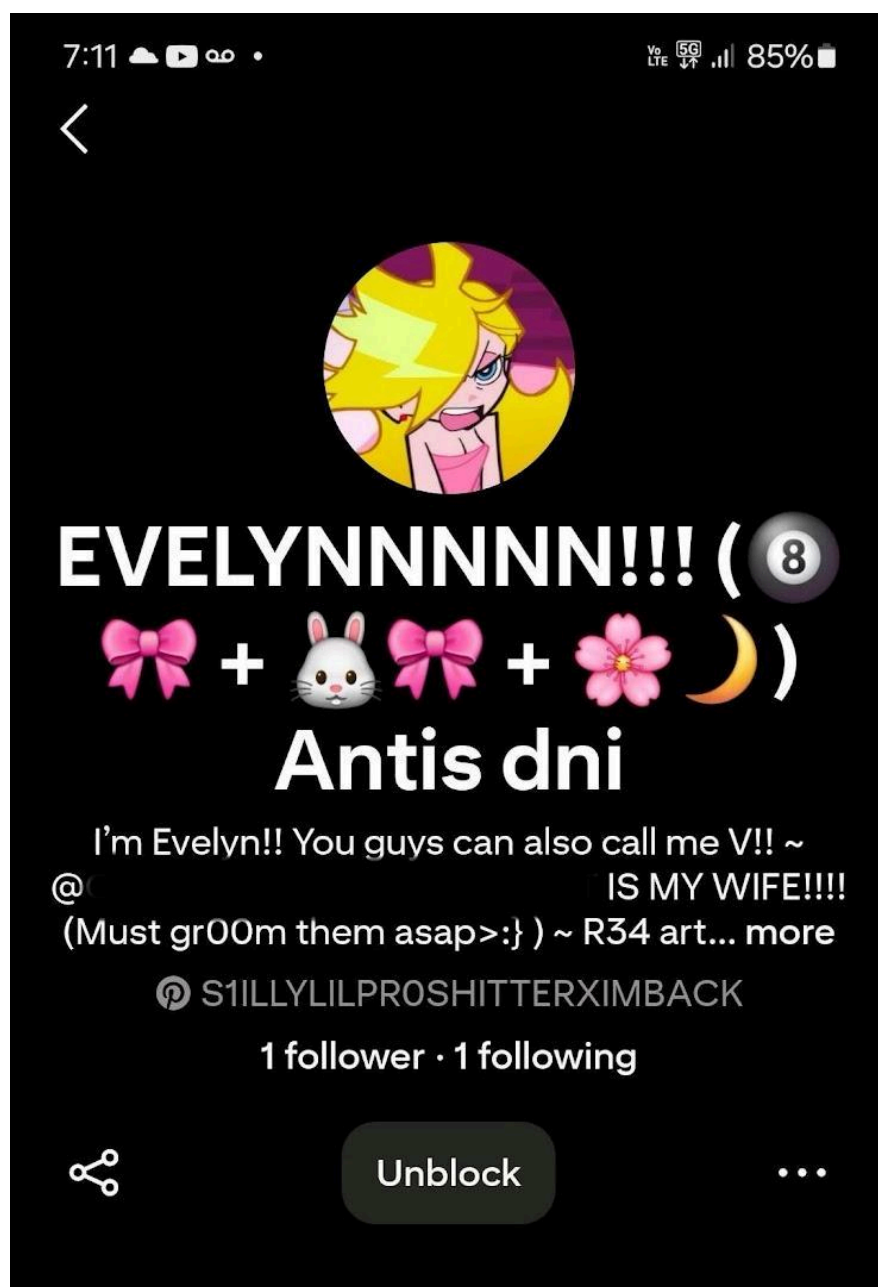

^ "They have my fucking address. I'm crying M, don't be surprised if i'm not active on Pinterest after two weeks and if I stop responding to anything, I'm on the verge of kms, don't tell anyone please, only after if I actually do it. If i'm not testing you by then yk what happened. Love you (platonicly) gn."

v

Fortunately C has not done anything and they're still alive.

Then Evelyn gets banned for Adult Content. But of course they come back on another account (now banned for Harassment).

Not only did she come back with another account, but TWO MORE ACCOUNTS

And also Evelyn made HCs for C's Dandy's World OCs, and even a disgusting edit, both involving Tenny, and even de-aging her to ship her with Count on the HC sheet.

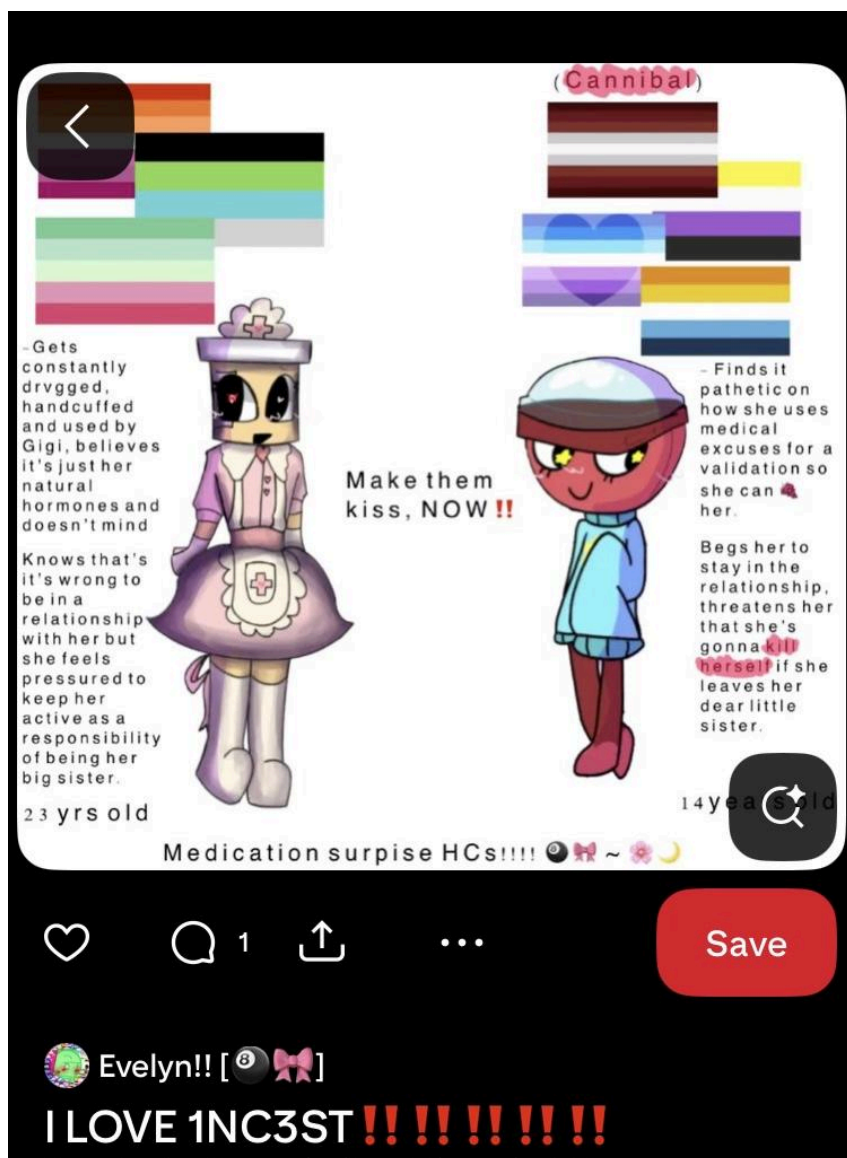

^

Evelyn's HC for Count, 32, s Tenny when Tenny is sleeping/when she's bored, Manipulative gf </3

Evelyn's HC for Tenny, 16, Gets constantly ed by Count, doesn't mind since she thinks it normal, Was stalked by Count for a few years.

^Yes the edit is supposed to be "ship" of Tenny with Toodles...
They use the zoophile and pedophile flags proudly in these images.

^

Another HC sheet Evelyn made involving another one of C's ocs and shipping her with Gigi, who's meant to be her half-sister.

Reads: For Dosey/Darcy: "Gets constantly drugged, handcuffed, and used by Gigi, believes it's just her natural hormones and doesn't mind

Knows that's it's wrong to be in a relationship with her but she feels pressured to keep her active as a responsibility of being her big sister.. 23 yrs old"

For Gigi: "Finds it pathetic on how she uses medical excuses for a validation so she can her.

Begs her to stay in the relationship, threatens her that she's gonna kill herself if she leaves her dear little sister. 14 years old"

Gigi is also HC'd as a cannibal.

And also, yes, C did try to report Evelyn to the police. They tried BOTH online and local, but to no avail, neither helped.

Are you, like, able to report the stuff about Evelyn to the police?

Them having your personal info should be enough, right?

I'm not sure tbh, I'll let yk though

OK.

I'm doing the best I can RN, I'm spreading the word about Evelyn. Hopefully that does something.

Tysm for the support btw <3

YW

Yo I just went to report it and uh

They said- "There were bigger problems that we need to deal with, this is a minor inconvenience."

..

I'm not even joking that's what they said.

You gotta be fucking kidding me...

Did you tell them about Evelyn wanting to groom you?

Seen

Every detail.

^ First screenshot:

F: Are you, like, able to report the stuff about **Evelyn** to the police? Them having your personal info should be enough, right?

C: I'm not sure tbh, I'll let yk though.

F: Ok. I'm doing my best rn, I'm spreading word about **Evelyn**. Hopefully that does something.

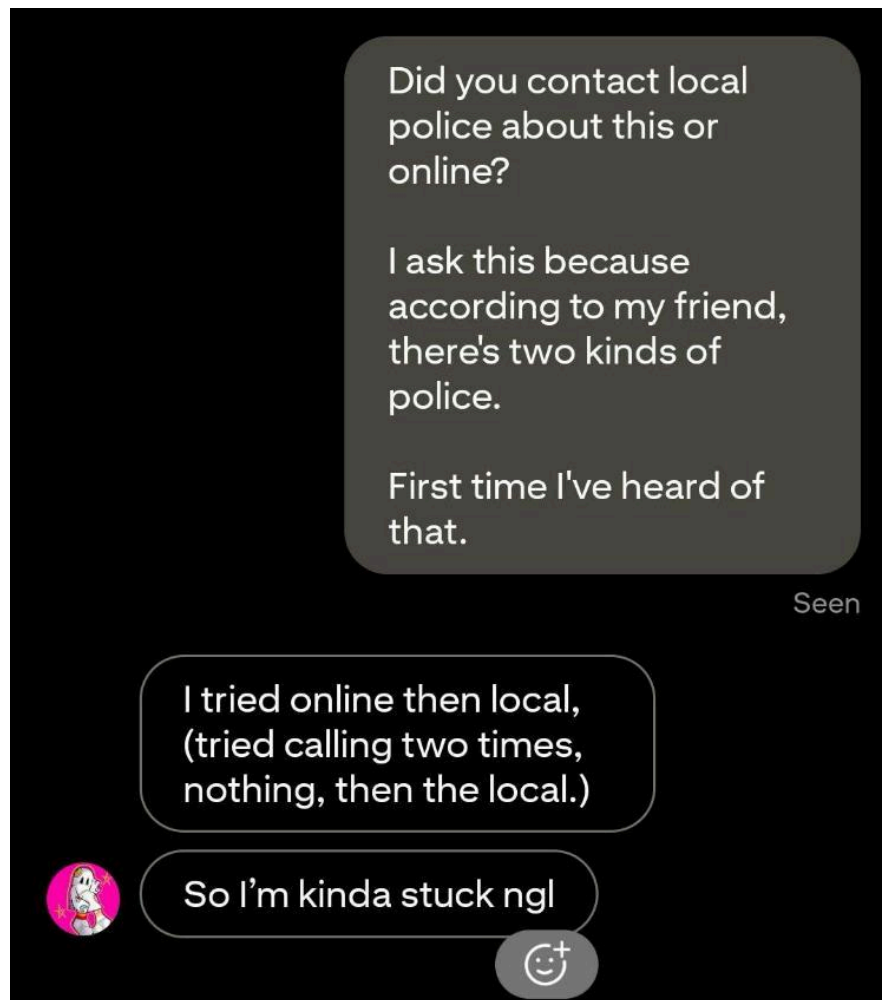

C: Tysm for the support btw <3

F: YW

F: You gotta be fucking kidding me... Did you tell them about **Evelyn** wanting to groom you?

C: Every detail.

^ Second screenshot:

F: Did you contact local police about this or online? I ask this because according to my friend, there's two kinds of police. First time I've heard of that.

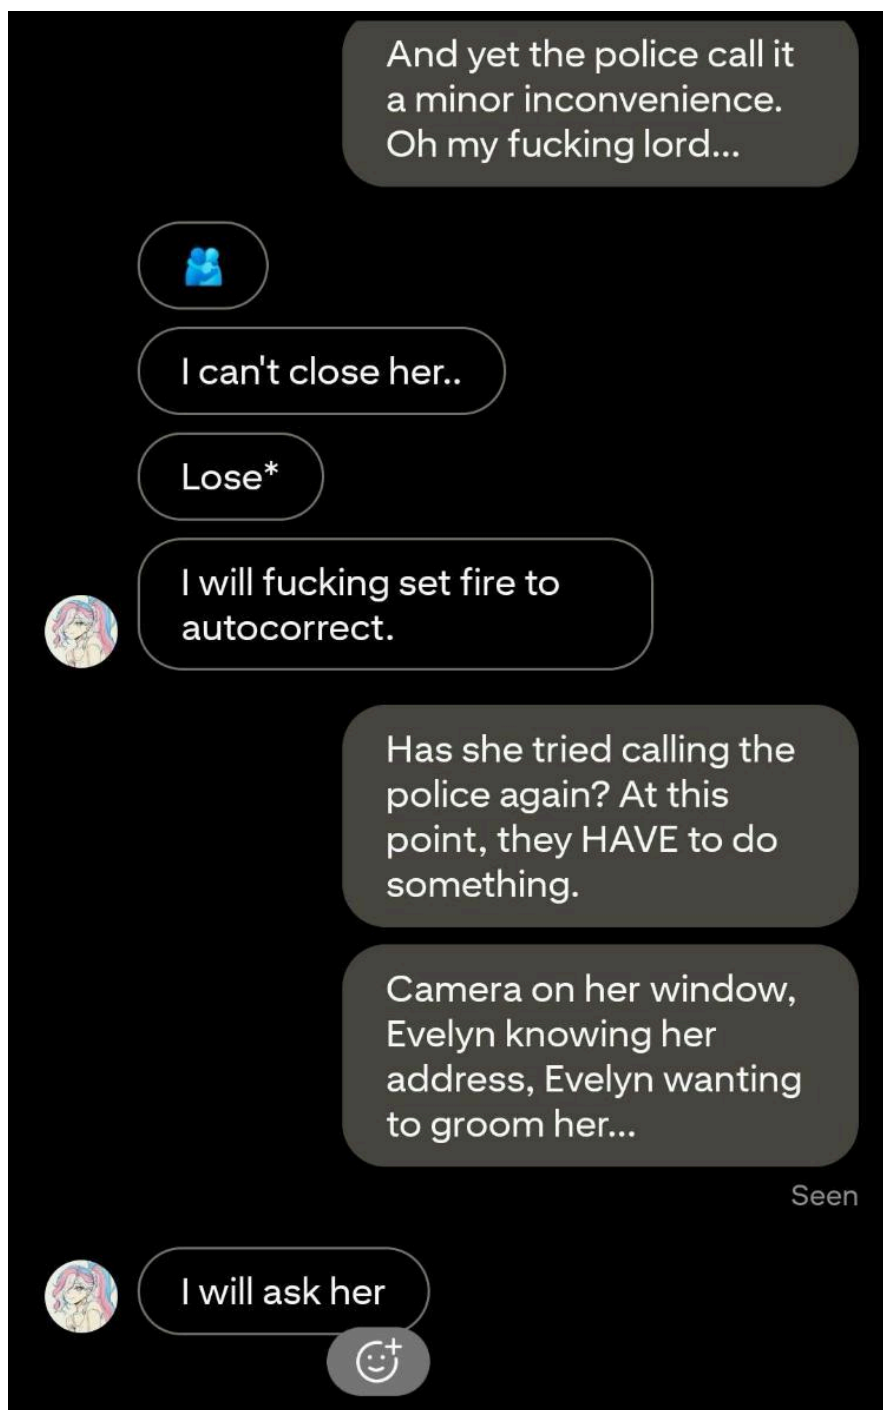

C: I tried online then local, (tried calling two times, nothing, then the local.) So I'm kinda stuck ngl.

And later on, **C** says he finds a mini camera outside his window.

^ "I found a mini camera on my window last night ."

Yeah, there's no doubt that these people AREN'T just trying to scare these victims anymore

^

F: And yet the police call it a minor inconvenience. Oh my fucking lord...

M:  I can't lose her...

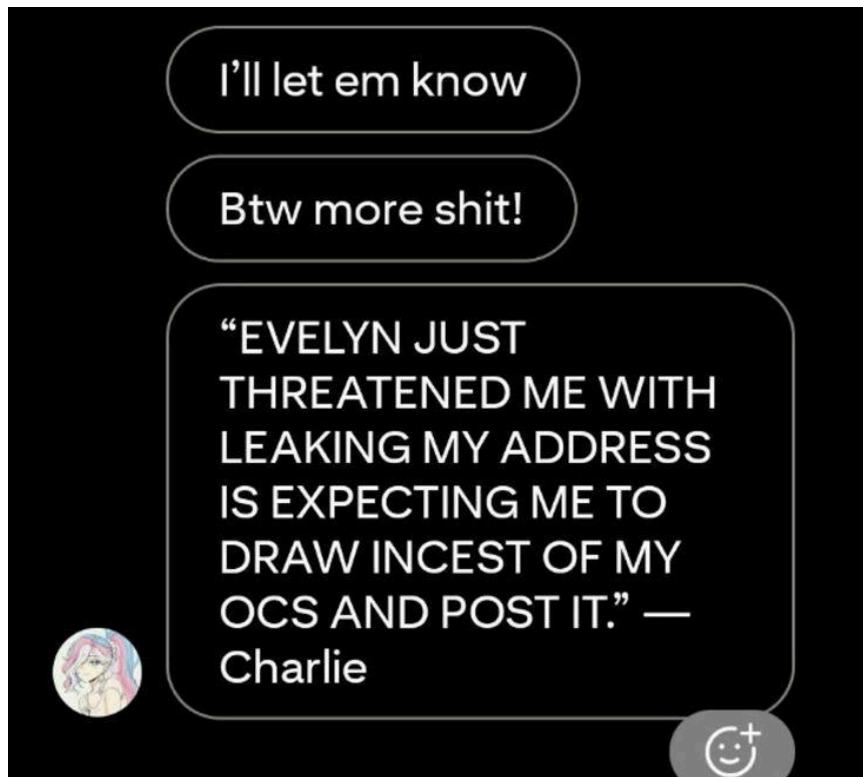

F: Has she tried calling the police again? At this point, they HAVE to do something. Camera on her window, **Evelyn** knowing her address, **Evelyn** wanting to groom her...

M: I will ask her.

If only the police would SOMETHING about this. They were called but they did nothing. These victims are literally being STALKED and THREATENED and there's nothing being done.

It's almost like they're waiting for something to actually happen AND THEN they'll do something about it.

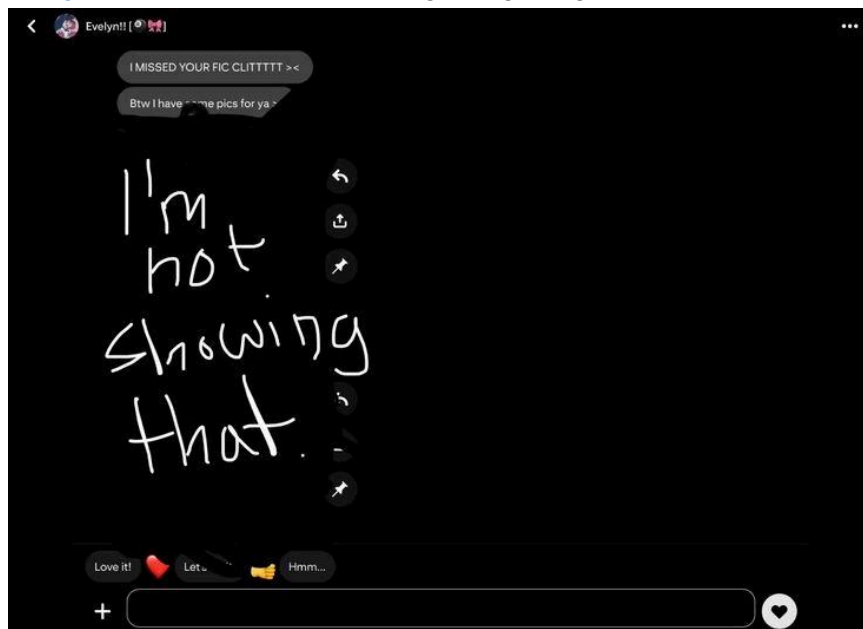

And Evelyn also sent this to C. M had to talk C out of killing herself because of this btw.

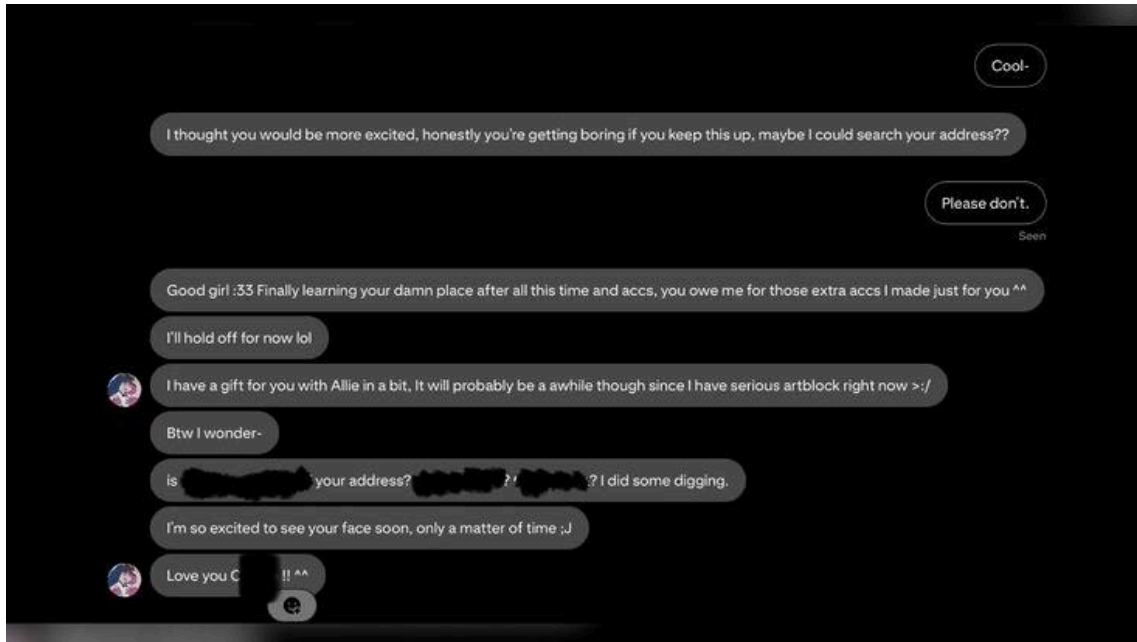

^

“EVELYN JUST THREATENED ME WITH LEAKING MY ADDRESS IS EXPECTING ME TO DRAW INCEST OF MY OCS AND POST IT” - C

Evelyn also had sent MORE disgusting things to C.

^

C: Cool-

E: I thought you would be more excited, honestly you're getting boring if you keep this up, maybe I could search your address?

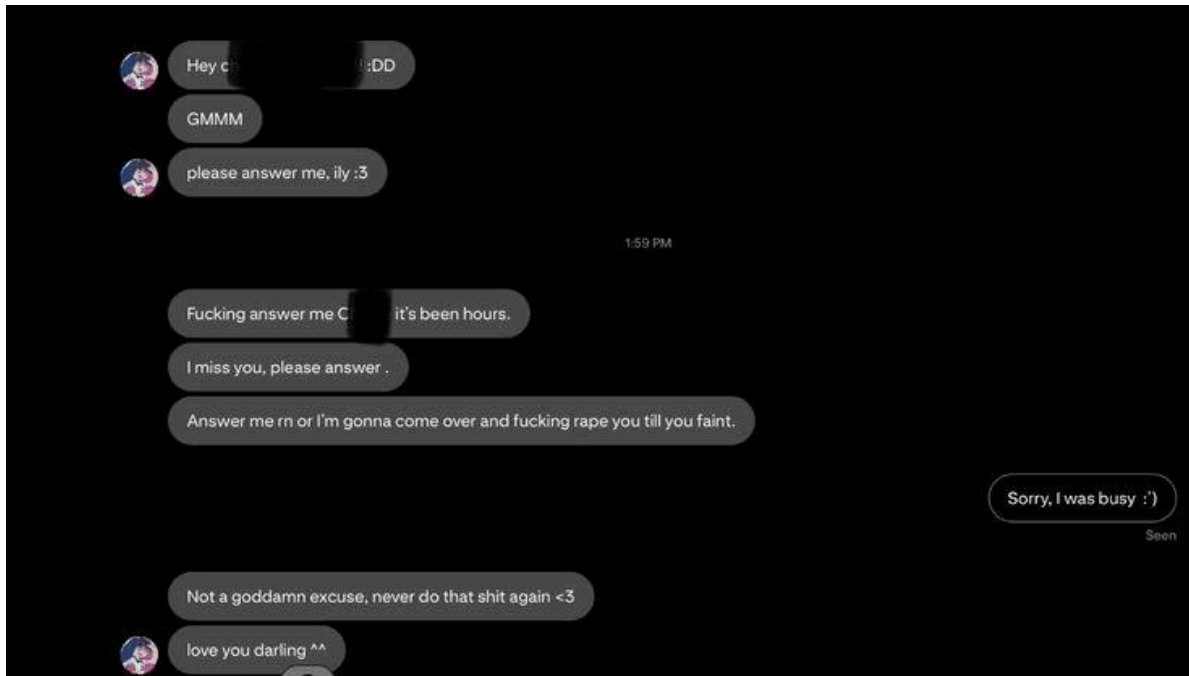

C: Please don't.

E: Good girl :33 Finally learning your damn place after all this time and accs, you owe me those extra accs I made just for you ^^

I'll hold off for now lol. I have a gift for you with Allie in a bit, it will probably be awhile though since I have serious artblock right now >:/

Btw i wonder- is [blank] your address? [blank]? [blank]? I did some digging. I'm so excited to see your face soon, only a matter of time. Love you C !! ^^

(Yes, she EVEN DIGGED FOR C'S ADDRESS)

^

E: Hey C :DD

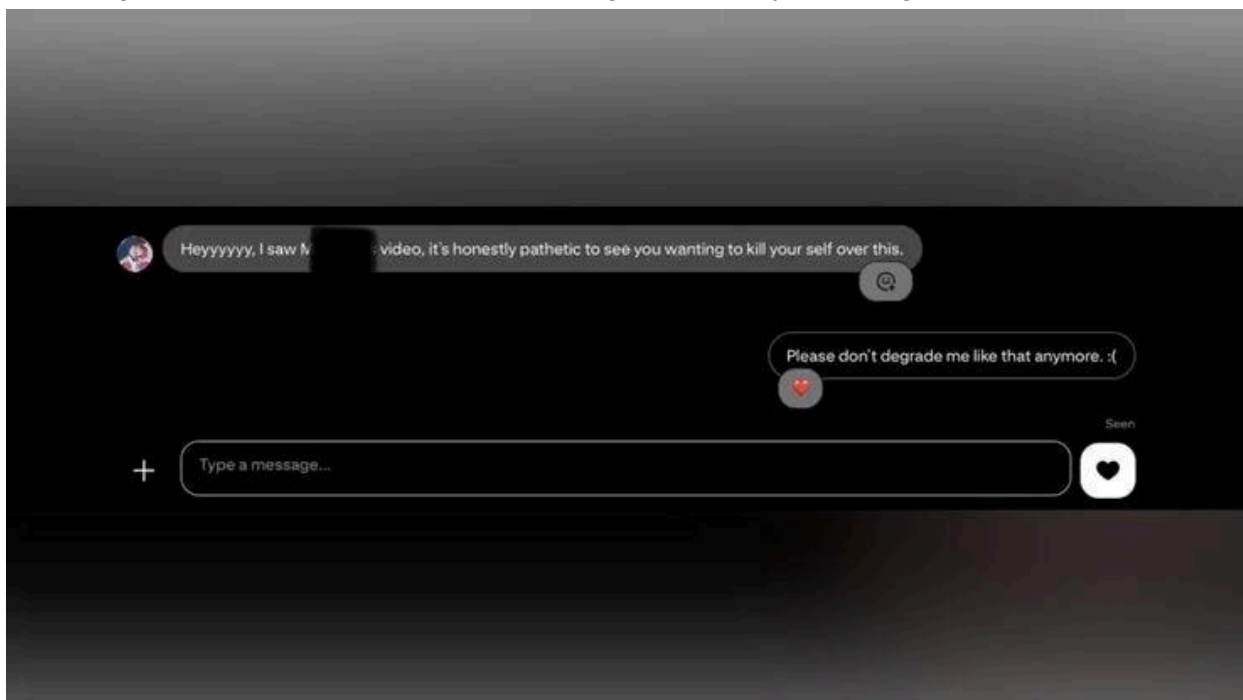

GMMM

please answer me, ily :3

Fucking answer me C it's been hours. I miss you, please answer . Answer me rn or I'm gonna come over and fucking rape you till you faint.

C: Sorry, I was busy :')

E: Not a goddamn excuse, never do that shit again <3 love you darling ^^

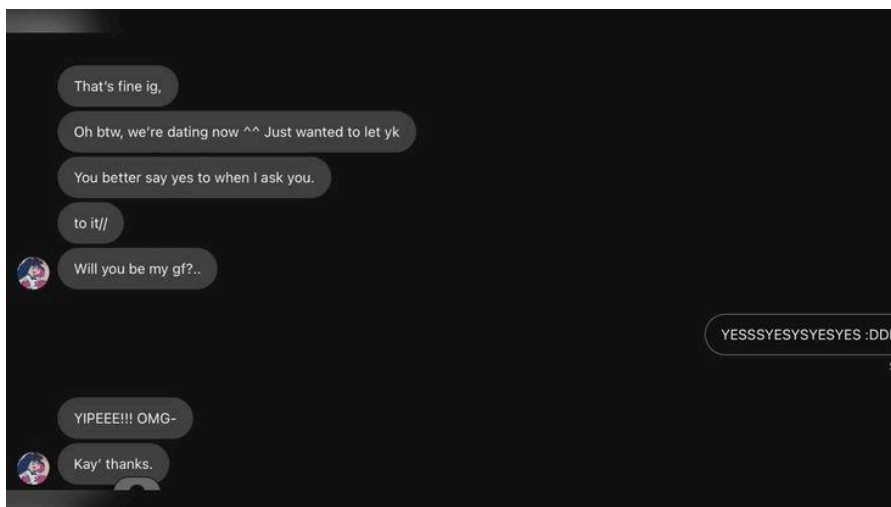

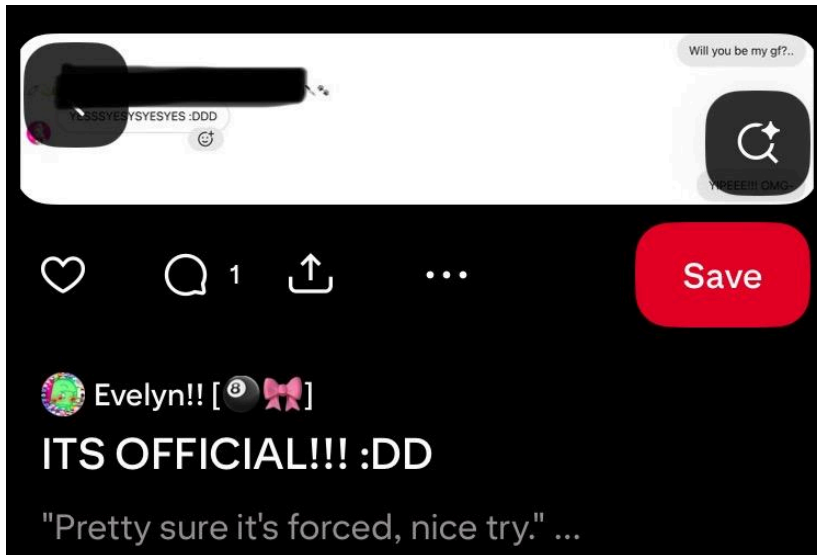

^

E: Heyyyyy, I saw **M**'s video, it's honestly pathetic to see you wanting to kill yourself over this.

C: Please don't degrade me like that anymore. :(

(May I need to remind you that **Evelyn**, an adult, is sending this shit to **C**, a child?)

And also **Evelyn** posted a pin saying that she and **C** are "officially dating", however, it is clearly cropped.

^

E: That's fine ig, oht btw, we're dating now ^^ Just wanted to let yk

You bet say yes to it when I ask you.

Will you be my gf?..

C:YESSSSYESYESYES :DDD

E: YIPEEE!!! OMG-

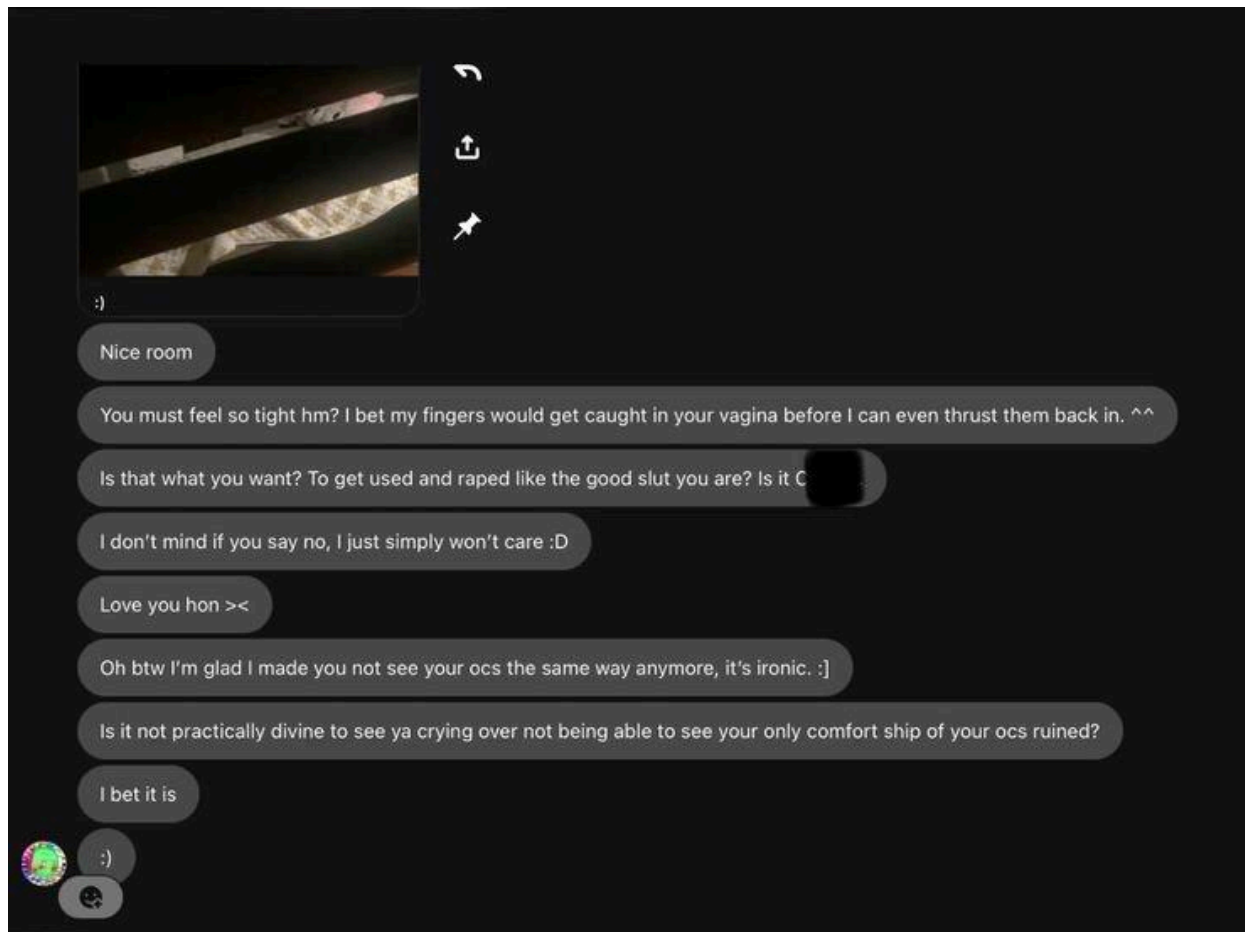

Kay' thanks.

Yep, it was forced. But **Evelyn** doesn't care. She'll never care. She doesn't have a heart, along with her friend, **Bucket Gal**.

C also got sent the links to make a Cybertip btw as well, though he has not said anything about whether he made some or not.

We can only leave it to **M** and **C** to send cybertips if they can since they know more about the situation they're both in than anyone else, so unfortunately there's not much we can do.

Evelyn also got a photo of **C's** window.. And is taunting him in a disgusting way of how she ruined **C's** ocs for him.

^

“Nice room, you must feel so tight hm? I bet my fingers would get caught in your tight vagina before I can even thrust them back in. ^^

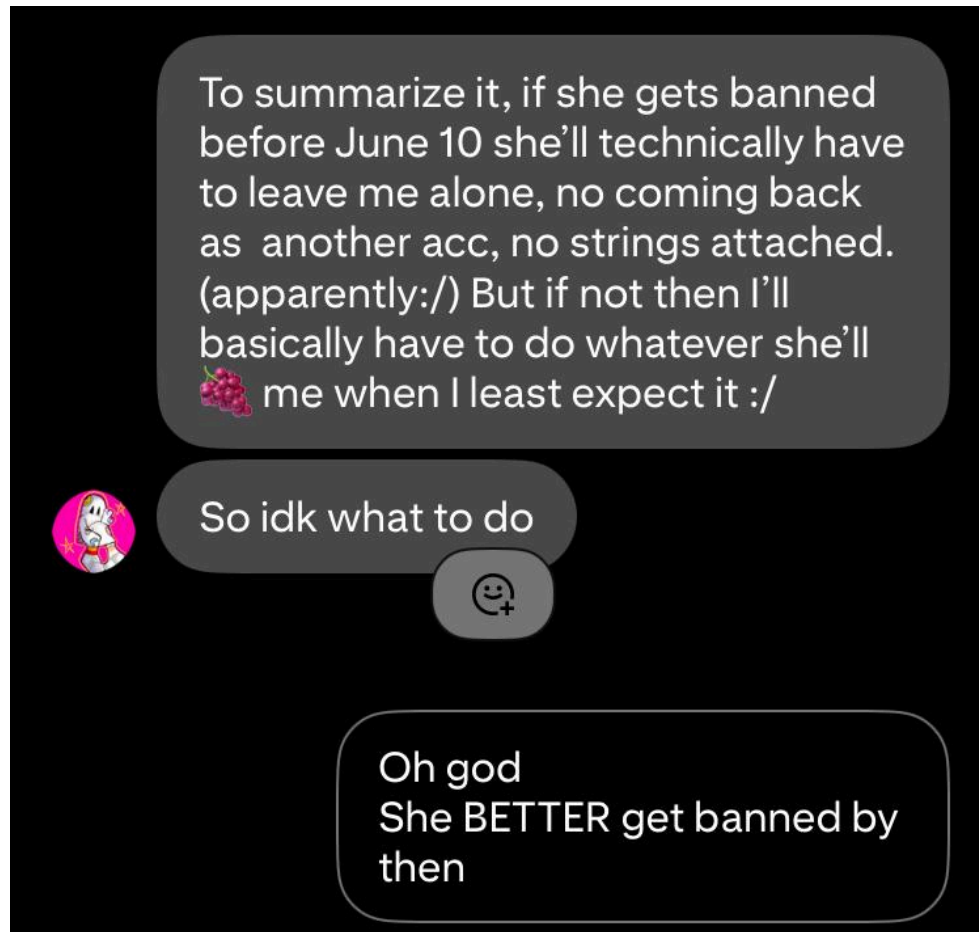

Is that what you want? To be used and raped like the good slut you are? Is it **C**?

I don't mind if you say no, I just simply won't care :D Love you hon ><

Oh btw I'm glad I made you not see your ocs the same way anymore, it's ironic :]

Is it not practically divine to see ya crying over not being able to see your only comfort ship of your ocs ruined? I bet it is :)”

And afterwards, **C** receives something from **Evelyn** which could potentially put her in all danger if nothing gets done about it quickly enough.

^

“To summarize it, if she gets banned before June 10 she'll *technically* have to leave me alone no coming back as another acc, no strings attached. (apparently:/) But if not then I'll basically have to do whatever she'll 🍷 me when I least expect it :/”

After this, **Evelyn** has been banned, though it is likely false hope she's giving **C**.

So far this is the proof that I have for **Evelyn** and **Bucket Gal** for now.

They will likely continue to make more accounts as much as they can unfortunately. However, I want to share this because I don't want **M** and **C** to think they're alone on this, and it has gotten so bad that this has to be shared outside of Pinterest.

My friend has even tried to spread word about this, but not much help has gotten back.

Please report **Evelyn** and **Bucket Gal's** accounts if you can, especially if you are on Pinterest, if not, then please share this around. These people NEED to be banned completely off the internet and ARRESTED ASAP. Also, if you have any more information on them if possible, don't be afraid to message me about it.

[FBI Cybertip](#) - Reporting cybercrime.

[NCMEC Cybertip](#) - This is for reporting child sexual exploitation.

Vani note: Please get rid of these people god Getrid of them
